## **Roark Capital Group Completes Purchase of Cinnabon® and Seattle's Best Coffee® International; FOCUS Brands is Introduced**

*-- Creation of FOCUS Brands Inc. provides growth vehicle for Roark Capital's food service franchises --*

**ATLANTA, GA (November 4, 2004)** – Roark Capital Group, an Atlanta-based private equity firm, announced today that its affiliate, FOCUS Brands Inc., has completed the purchase of Cinnabon and Seattle's Best Coffee International from AFC Enterprises for \$21 million in cash, subject to customary closing adjustments. The two brands combine with Carvel Corporation, a leading provider of premium soft serve ice cream and ice cream cakes, to form FOCUS Brands Inc.

“The creation of FOCUS Brands allows Roark Capital Group to accelerate the growth of its food service franchises under the direction of one highly experienced leadership team,” said Neal Aronson, founder and managing partner of Roark Capital Group.

Roark Capital Group purchased Carvel Corporation in November 2001 with the intent to grow the ice cream brand by reinvigorating the products and retail environments of its franchises, as well as expanding its supermarket distribution. Since the acquisition, the franchise division has added over 150 new outlets (a 40% increase) while entering 17 new states. Concurrently, Carvel's supermarket distribution has added over 2,600 new outlets (a 50% increase).

“This is a very exciting day for our company as these three brands come together under this new name and culture to ‘FOCUS on making our constituencies happy’,” commented Steve Romaniello, FOCUS Brands president and CEO. “Today's purchase provides a variety of product and franchise offerings while strategically positioning us for the addition of more brands.”

FOCUS Brands SVP of Development Geoff Hill added, “For the last two years, Carvel has worked closely with Cinnabon to develop seven successful co-branded locations. We will now accelerate our co-brand plans, providing our current and future franchisees the option to offer two of the treat industry's most sought after products under one roof.”

FOCUS Brands Chief Operating Officer Chris Prasifka will oversee the integration of the three companies as they share best practices among associates and franchisees.
